INVITATION FROM THE CONFERENCE CHAIR

On behalf of the Conference Committee, we are delighted to present the sponsor, exhibitor, and advertising partner prospectus for the 2026 NZ Arb Annual Conference. This is your once-a-year opportunity to connect with the influencers, decision-makers, innovators, and passionate professionals shaping the future of arboriculture in Aotearoa.

In 2026, we gather in Rotorua—a city rich in history, culture, and whenua connections—to celebrate the strength of our community and the stories that ground our profession. You can expect the Energy Event Centre to be buzzing with arborists from across the motu: business owners, business managers, practising arborists, municipal and utility arborists, consultants, researchers, educators, and students.

This year's conference showcases a refreshed programme designed to inspire collaboration and spark meaningful industry conversations. Across three days you can expect engaging speakers, practical workshops, hands-on demonstrations, and a vibrant trade show highlighting the latest tools, technology, and innovation, as well as some world-class tree climbing action up close. Social events throughout the week will provide genuine opportunities to connect, share knowledge, and celebrate the people who make our industry thrive.

We look forward to partnering with you to make the 2026 Rotorua conference a memorable, meaningful, and inspiring event—one that strengthens our connections, elevates our profession, and shapes a vibrant future for arboriculture in New Zealand.

Nga mihi,

Your Conference Co-chairs – **Nicky Gibbs** and **Tawa de Goey**
